Like a Score – E.V. Ilyenkov (1945)

Introduction

Communism is simply a utopian dimension shining through, all of its poetic reveries are based on the idea of Justice, but then daily life – Trotsky argues it should be avant-garde life.

That is when life becomes artistic, living surrealism. I meant this by the work.

I. Dialectics

First Kant – transcendental system

German Idealism, with Schelling – aesthetic system.

II. Some History

Historical Materialism.

Cinema studies.

III. Read this as in Fact Biology or any Subject.

I am in a sense-event.
